### US 41 Project lane closures for May 20 – May 24

*Traffic restrictions in Brown and Winnebago counties*

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for May 20 – May 24 in Brown and Winnebago counties. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone.

Details of all closures are included below.

#### **Winnebago County**

##### **US 41**

Drivers will encounter a single lane closure on northbound US 41 between US 45 and Breezewood Lane on Tuesday, May 21 from 7 p.m. to 5 a.m.

#### **Brown County**

##### **US 41**

Drivers should anticipate various, overnight single lane closures on southbound and northbound US 41 along the entire Brown County corridor from Glory Road to Lineville Road. Lane closures can vary along the corridor, so drivers are urged to pay attention to road signs, slow down and use caution when entering any work zone. The US 41 Project plans to have at least one lane of traffic open at all times on both northbound and southbound US 41 during construction. This does not include shutdowns by local authorities for accidents or natural disasters.

In addition, drivers can anticipate ramp closures this week. They include:

- **Tuesday, May 21** – Southbound US 41 off-ramp to Scheuring Road will be closed overnight from 10 p.m. to 2 a.m.
- **Tuesday, May 21** – Northbound US 41 off-ramp to Scheuring Road will be closed overnight from 10 p.m. to 2 a.m.
- **Wednesday, May 22** – Northbound US 41 off-ramp to Scheuring Road will be closed from 9 a.m. to 2 p.m.
- **Wednesday, May 22** - Southbound US 41 on-ramp from Velp Avenue will be closed from 8 p.m. to 5 a.m.

#### **WIS 29/US 41 lift and set of tub girders**

Over the next few weeks, steel tub girders will be lift and set to construct the WIS 29/US 41 interchange flyover ramps. Drivers can expect various full and partial, overnight closures of US 41 or WIS 29 and/or nearby ramps during these lifts. These lifts are not every day. WisDOT will send a road closure alert and suggested detour to media, post to [www.US41Wisconsin.gov](http://www.US41Wisconsin.gov) and send to the US 41 Facebook and Twitter accounts a day prior to the expected girder lift. Tub

girder lifts are weather dependent and subject to change. If you have any questions regarding the steel tub girder lifts, please contact US 41 Communications Mark Kantola at 920-492-4153 or email at [mark.kantola@dot.wi.gov](mailto:mark.kantola@dot.wi.gov).

### **WIS 29**

Drivers can anticipate single lane closures on eastbound and westbound WIS 29 between County J and Packerland Drive, Wednesday, May 22 and Thursday, May 23 from 6 p.m. to 6 a.m. Packerland Drive at eastbound WIS 29 will also be closed Wednesday and Thursday from 6 p.m. to 6 a.m. In addition, there will be a full ramp closure on the northbound US 41 on-ramp from WIS 29 on Wednesday, May 22 and Thursday, May 23 from 9 p.m. to 5 a.m.

### **I-43/Leo Frigo Bridge**

**Brown County** - Southbound I-43 at the Leo Frigo Memorial Bridge is reduced to a single lane of traffic with speeds reduced to 55 mph over a 3.5-mile segment of the highway through July 2013. The southbound I-43 on-ramp from Atkinson Drive is closed until June 28, 2013. Expect significant travel delays.

**All lane restrictions and work operations are weather dependent and subject to change.**
